Dear Members of the Senior Class,

Congratulations on having achieved an important milestone in your lives! You are about to embark upon the next phase of your life, and you will be joining an elite group of global citizens. Only about 30% of United States citizens hold bachelor's degrees and across the globe that percentage is only 7%. So, you are indeed very privileged.

One of my role models as a young man was Dr. Howard Thurman, former Dean of Marsh Chapel at Boston University and one of Dr. Martin Luther King's mentors. Dr. Thurman, a true mystic, once wrote: "There is something in every one of you that waits and listens for the sound of the genuine in yourself. It is the only true guide you will ever have. And if you cannot hear it, you will all of your life spend your days on the ends of strings that somebody else pulls."

With your Wheaton liberal arts education you have learned how to pull your own strings. Our vision for Wheaton is to graduate students who are global citizens prepared to lead in a complex society. This means that you are empowered and impassioned about promoting change locally and globally no matter what you end up doing or where you end up living. Your task now is to find "the genuine in yourself" and act on it.

I wish you all of the best as you prepare to leave the Wheaton Bubble. Please remember that you will be joining the ranks of more than 15,000 Wheaton alumnae/i across the globe. So, we hope that you, too, will remain connected to us even after you physically leave the campus. Take good care.

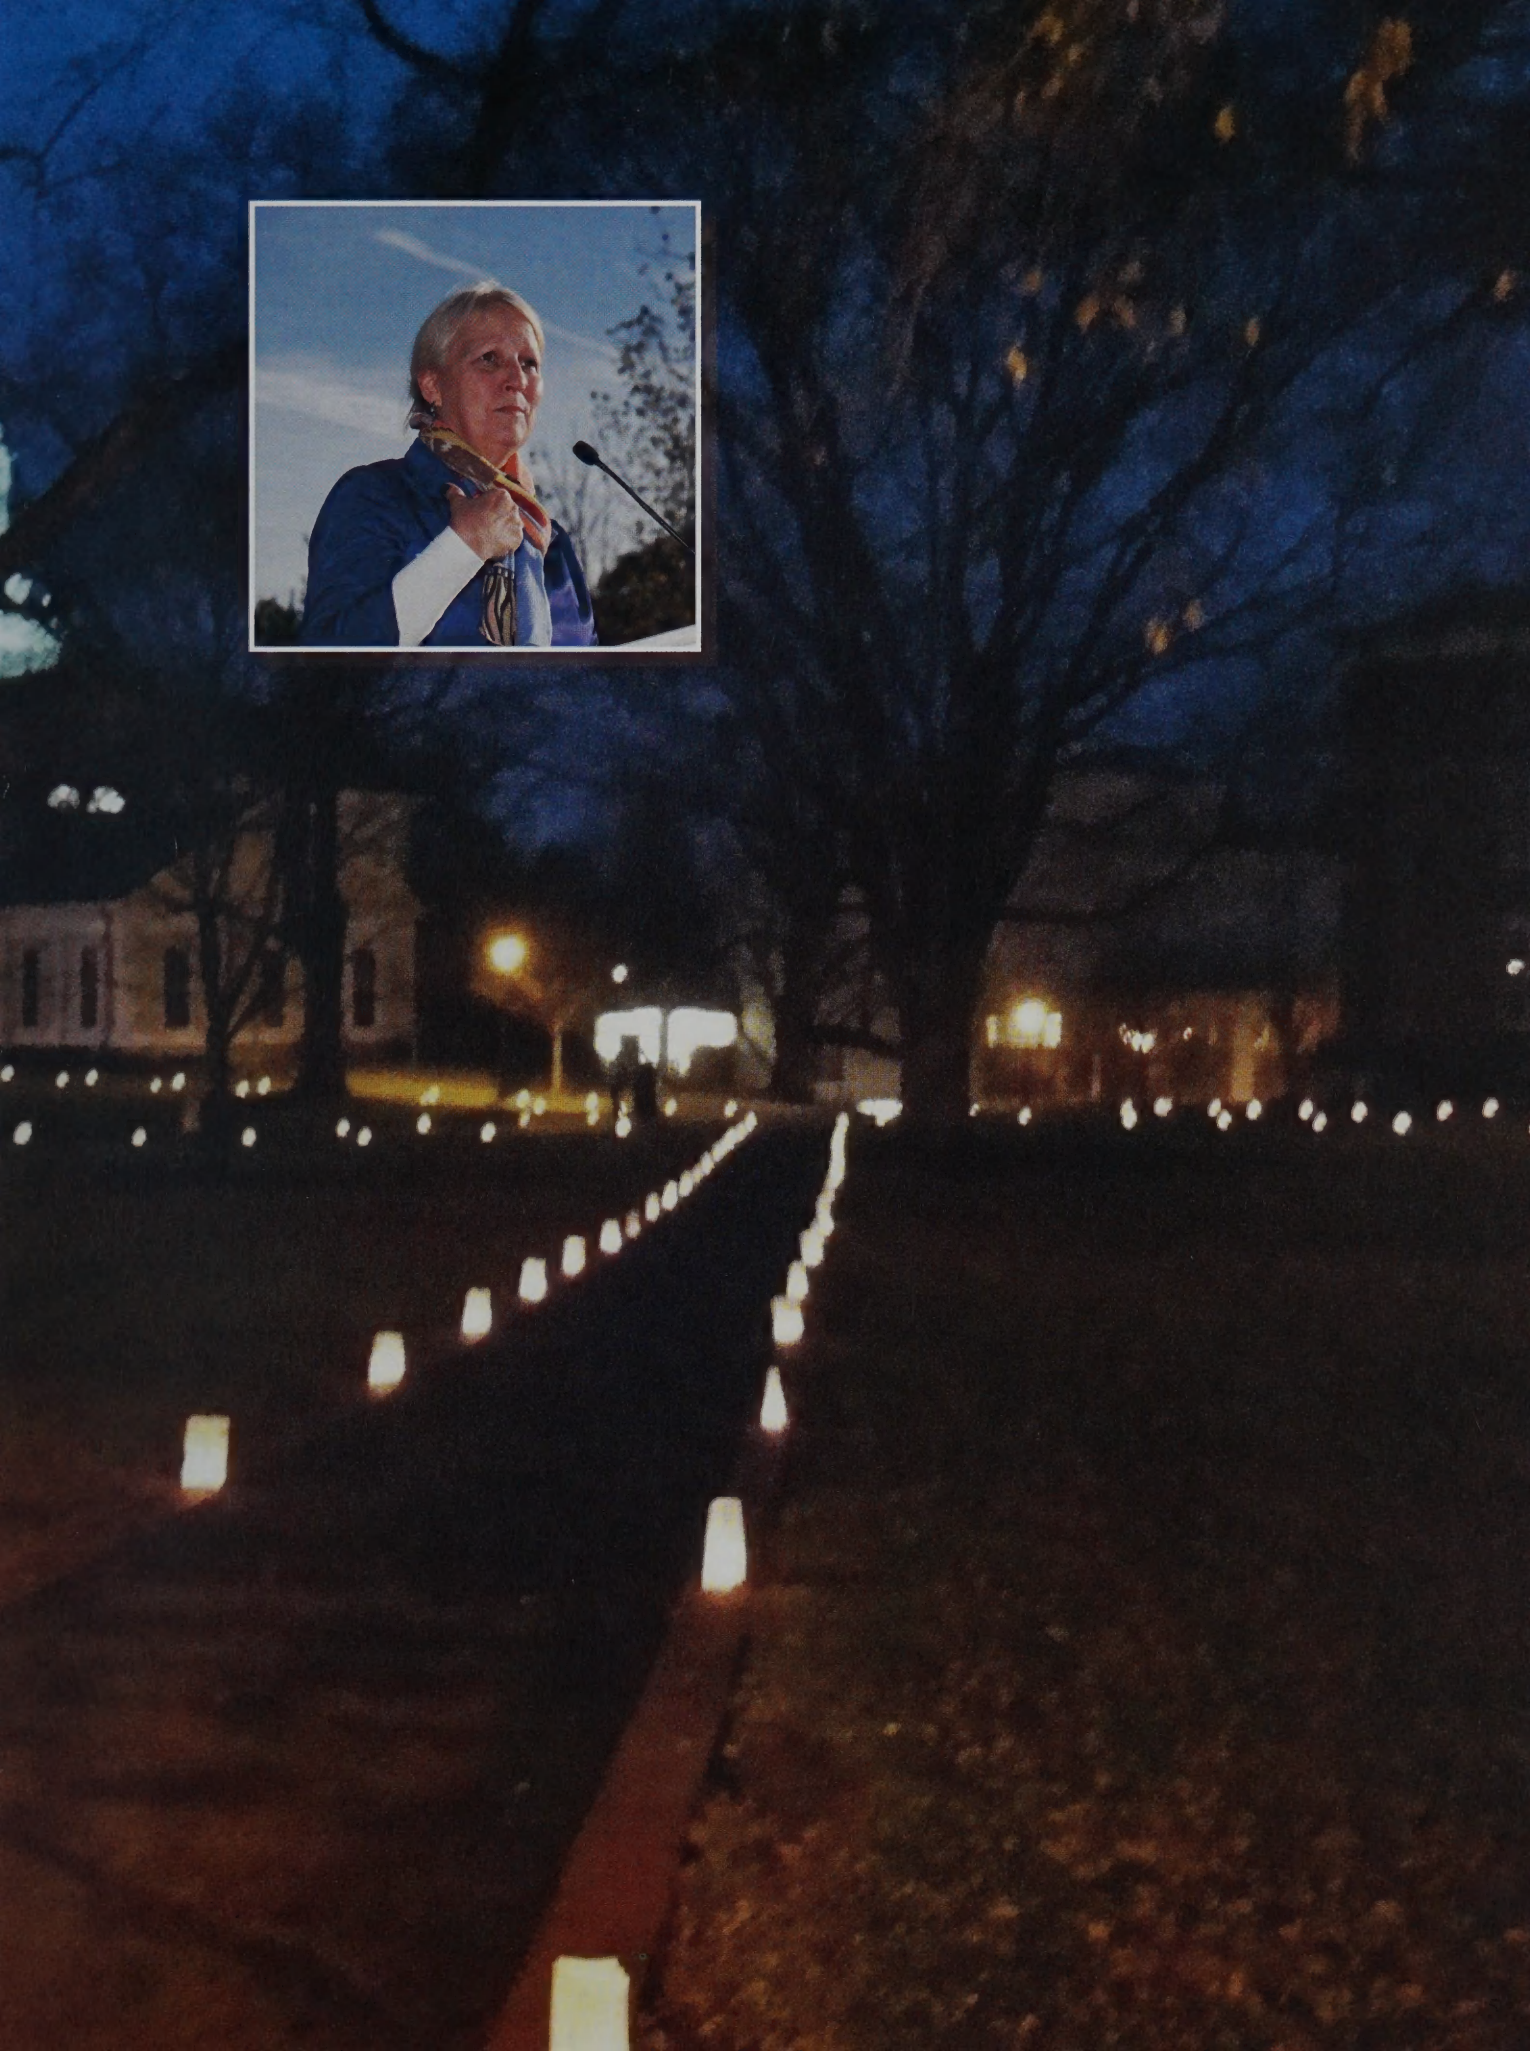

Best wishes,

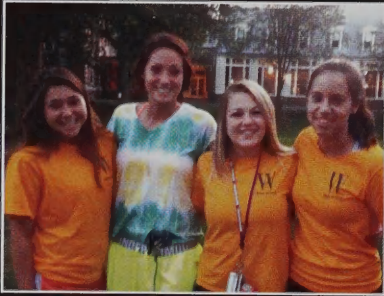

Ronald A. Crutcher
President

The luminaria held annually at Wheaton is the theme for the 2013 yearbook. The luminaria accompanies the yearly Vespers concert. This year's luminaria was special since it was the first year that students got to write messages on the bags. Messages of love, respect and community were written on the bags in response to an incident of anti-Semitic graffiti on campus. This year's luminaria shows the strength of Wheaton's love for its community.

CAMPUS LIFE

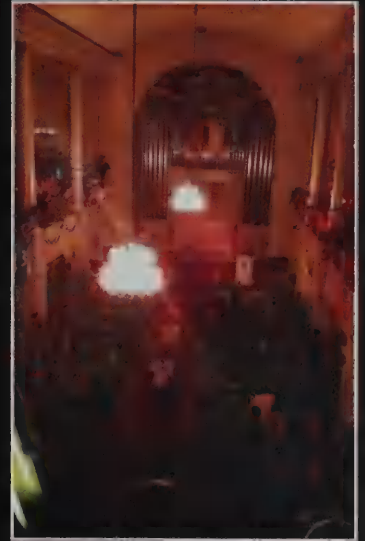

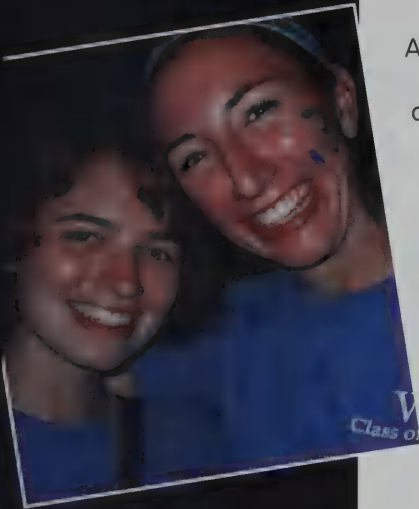

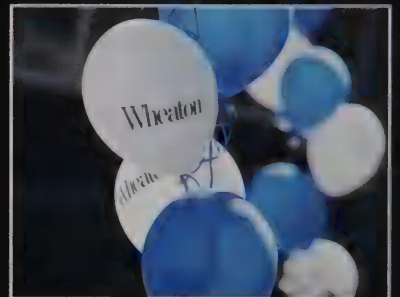

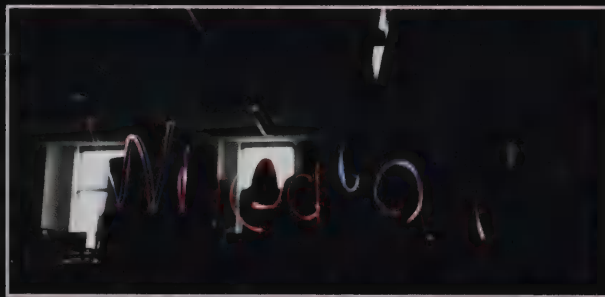

WE ARE WHEATON

ORIENTATION

Although Wheaton offers CORE (Campus Orientation and Registration Experience) in June, CORE August is when the freshmen arrive on campus and move in. From August 24th to the 26th, new students of the class of 2016 had many orientation activities such as advising team meetings, panels, and picnics to help orient themselves at Wheaton. A favorite of Orientation for all students is Lyons' Pride and the Candlelighting Ceremony. For Lyons' Pride students dress in their class color and tell ghost stories to the freshman class in the Chapel. After, students head to Peacock Pond where new students light candles. Many people take the opportunity to jump in the pond during the Candlelighting Ceremony.

HOMECOMING

This year's homecoming took place on October 12-13, 2012. Wheaton alumni, students, and family members travel to celebrate in one of Wheaton's finest traditions. The weekend was filled with guest speakers, athletic competitions, as well as an Indie Arts Festival showcasing student crafts. This homecoming featured the construction of the new athletic field, debuted to open in the upcoming year.

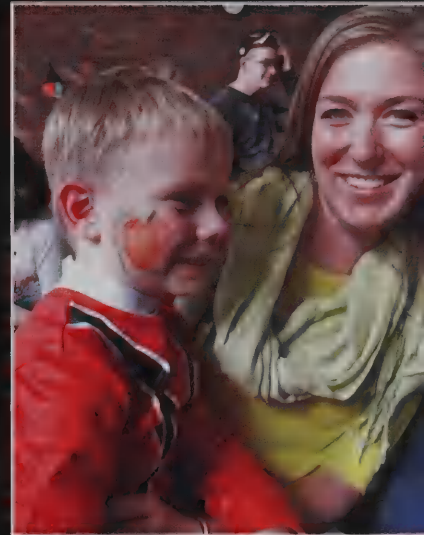

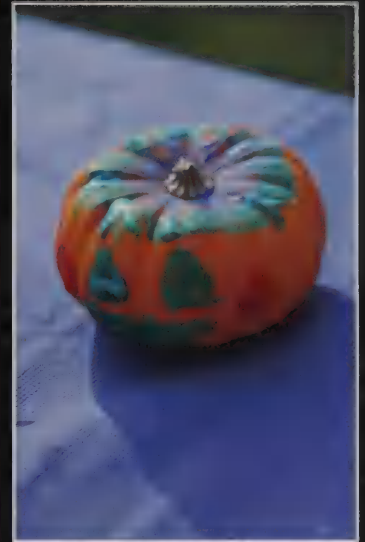

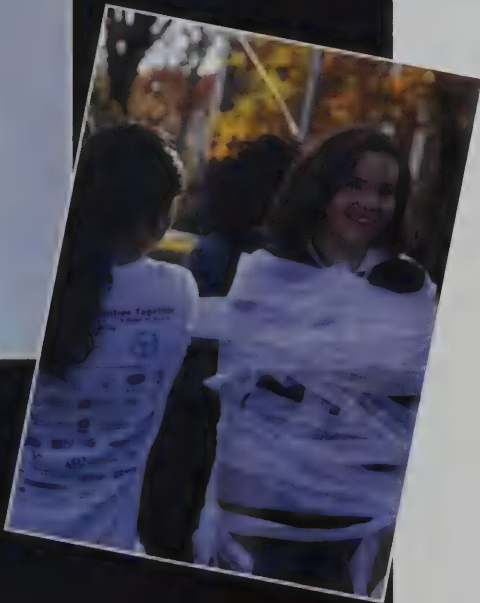

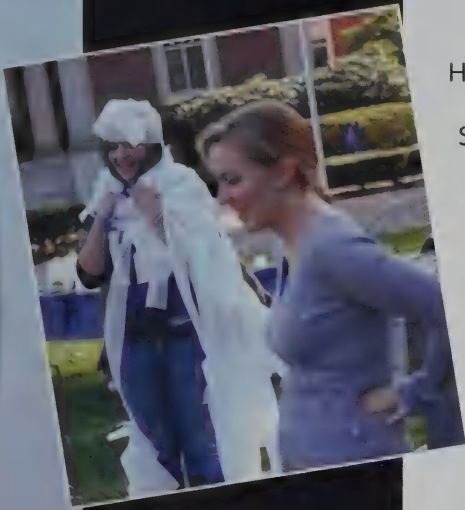

WE ARE WHEATON

HALLOWEEN

Halloween is a fun time for Wheaton students.

Students dress up for classes and for the Halloween dance which is held the last Friday in October.

Wheaton also hosts a Halloween Harvest festival with many Halloween- and autumn-themed activities for students and local children.

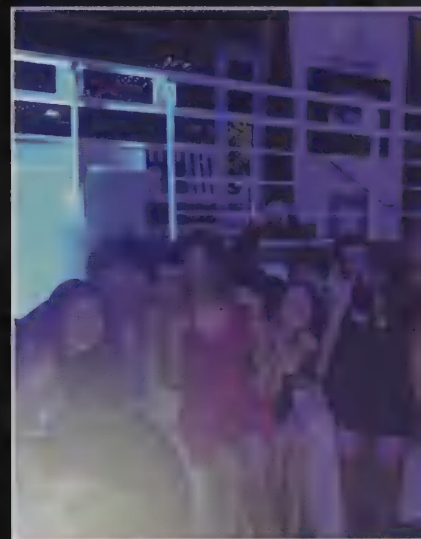

WE ARE WHEATON

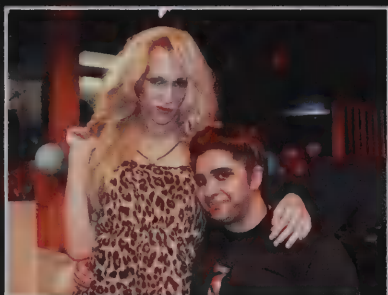

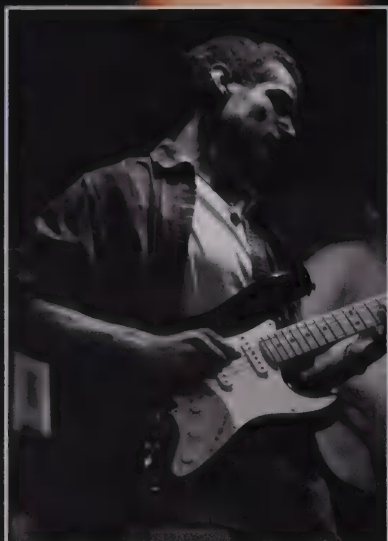

THE BASH

The Bash is the annual semi-formal dance at Wheaton. This year it was held on December 1st, hosted by the Class of 2014 and the SAIL office.

There were gourmet cupcakes, s' mores and chocolate fondue. The Lyons Lounge had mocktails for students to try and the Games Room featured finger foods. Inside the Dance

Studio, there was a mini-casino managed by a professional dealer. The most popular stops of the night were the caricature artist and the photo booth.

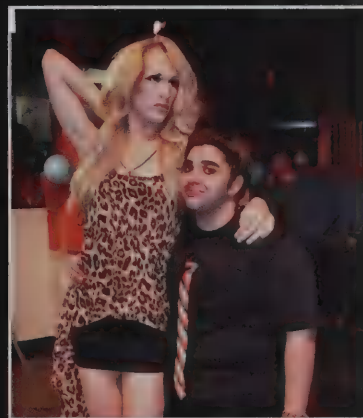

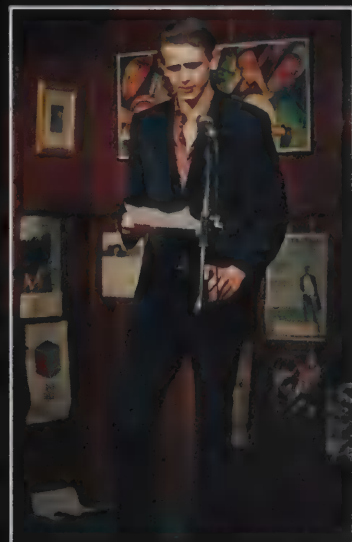

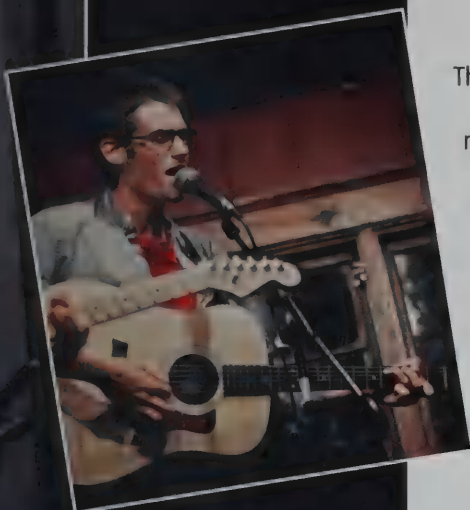

WE ARE WHEATON

THE LYONS' DEN & THE LOFT

The Lyons' Den and the Loft are probably the two most popular places on campus for Wheaton students to hang out. At both locations students can hear great music while they snack on delicious food. The Lyons' Den and the Loft are both great nighttime student hangouts especially since the Loft is open until 2:00 a.m.

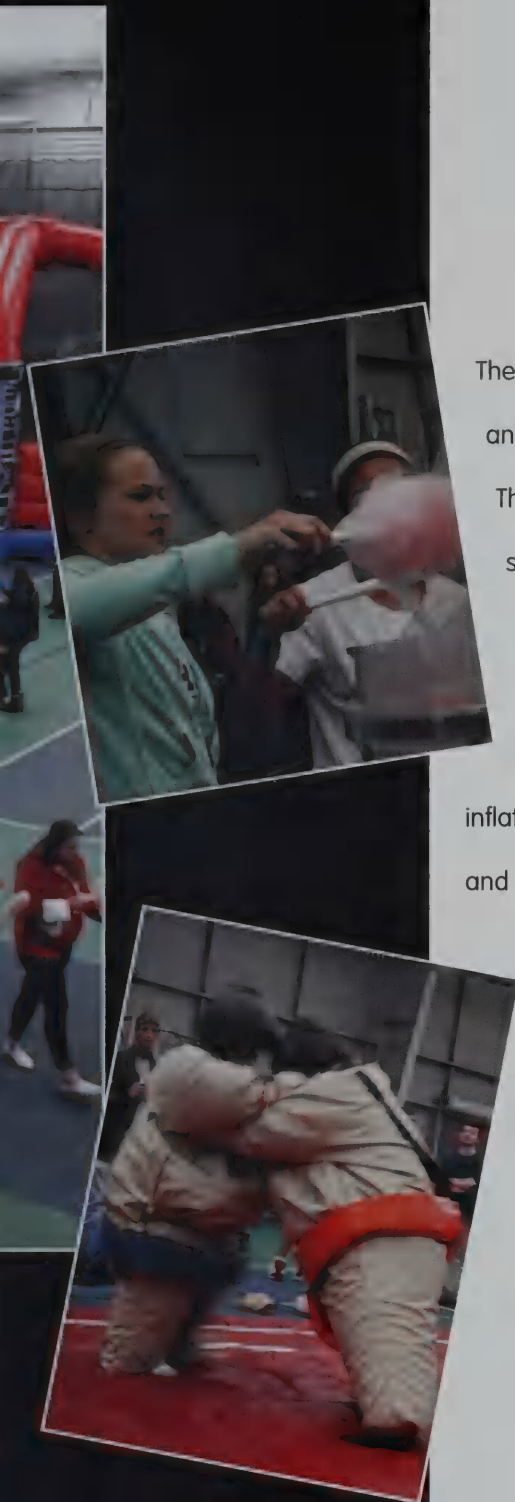

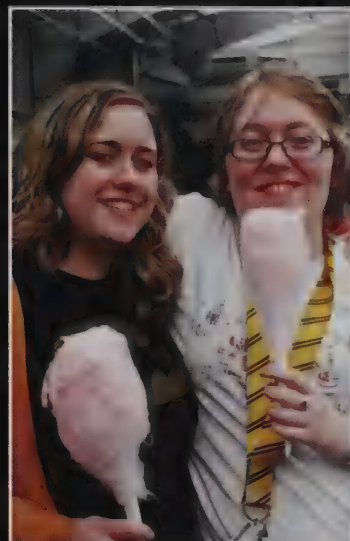

WE ARE WHEATON

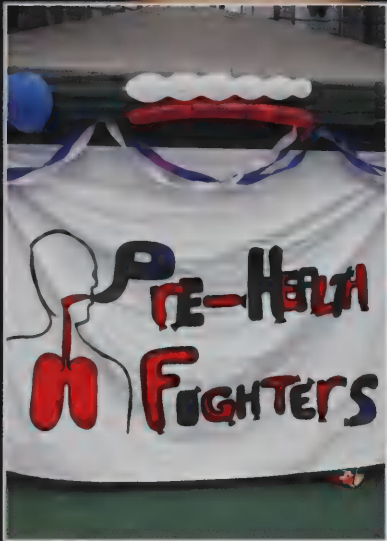

THE BIG EVENT

The Wheaton Athletic Mentors (WAMS) hosted the annual Big Event on February 1st and 2nd this year.

The Big Event promotes sobriety among college students by having a completely dry weekend on campus. The proceeds of the Big Event go to the local Special Olympics team, Heller's Angels.

Activities this year included a mechanical bull, inflatable air volleyball, sumo wrestling, bungee run and an inflatable obstacle course. Women's lacrosse head coach, Emily Kiablick, helped to put on this year's Big Event.

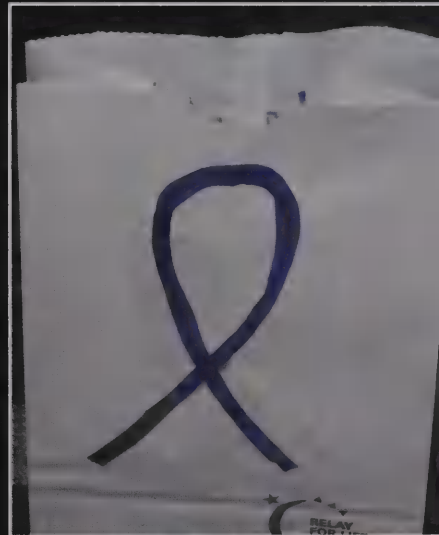

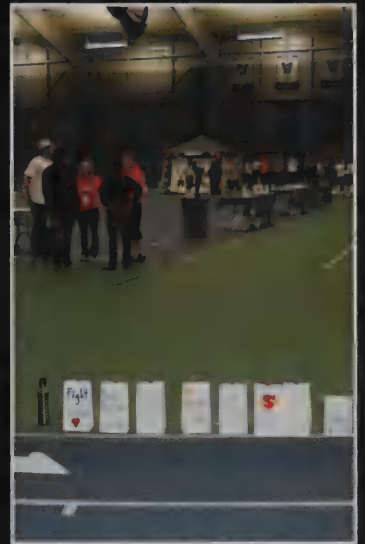

WE ARE WHEATON

RELAY FOR LIFE

This year's Relay for Life, Carnival for a Cure, occurred on April 5-6, 2013. The event ended at three in the morning rather than the traditional overnight stay in Haas, but that did not stop participants from having a great night. DJs of Boston provided the music for the event, as well as donated twelve hours of their employment to the cause. Student performances, late night snacks, and even clowns helped make this year's Relay event an unforgettable one!

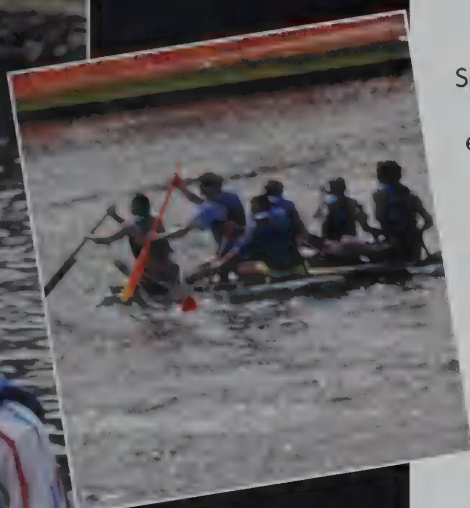

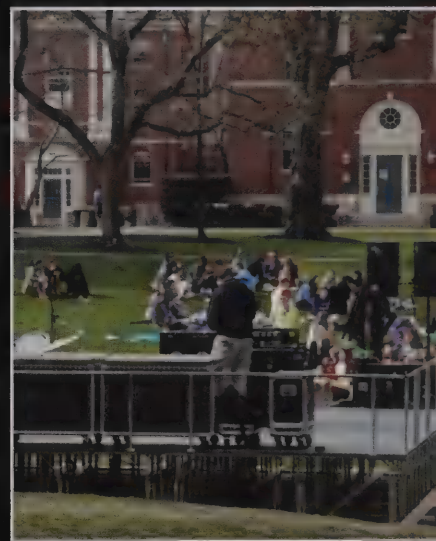

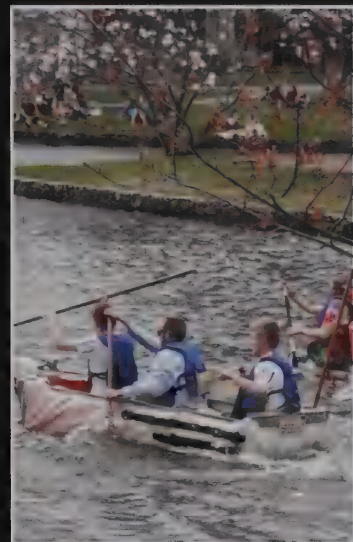

WE ARE WHEATON

SPRING WEEKEND

Spring Weekend is a weekend in April when many events go on. This year the events included a hypnotism show, WCCS's Born to be Wild Fest, Groove Boston Visceral Tour, and Battle of the Bands. The highlight of Spring Weekend is the Head of the Peacock: an event where students race homemade boats across Peacock Pond.

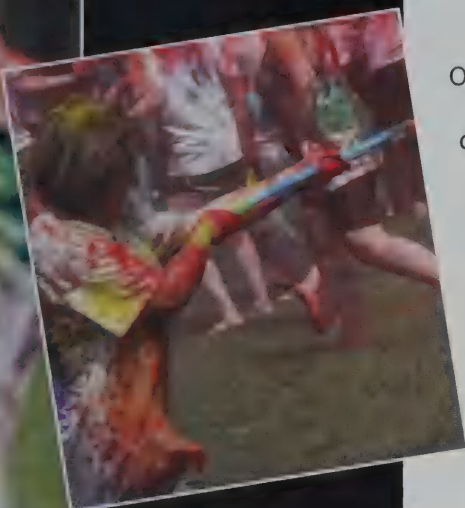

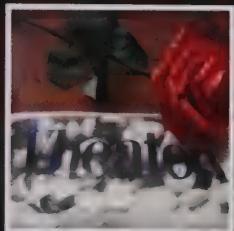

WE ARE WHEATON

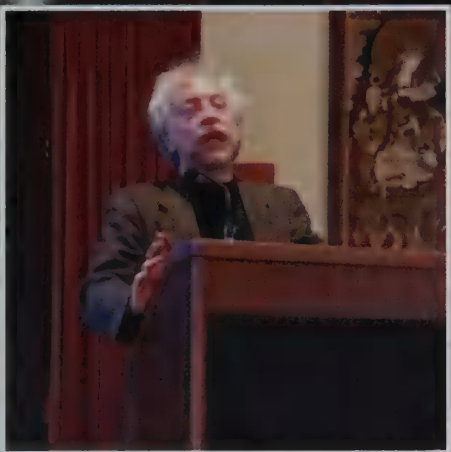

HOLI BAI

On May 3rd, Wheaton celebrated the last day of classes by observing Holi, the Hindu festival of color. Holi symbolizes the good over the bad, and in our version of Holi, it symbolizes throwing away the bad and ugly and revealing color and beauty. Many students jump into the pond and swim across it once the bags of Holi powder run out.

SENIORS

SENIOR WEEK

The 2013 Senior Class Council sponsored the annual "senior week" event, held after final exams in May. Seniors enjoy traditions such as the Thesis Parade, Rosecliff Ball, White Glove Brunch, Hoop Role, and Disorientation.

Seniors were able to enjoy themselves and finally begin to feel like true alumni and alumnae.

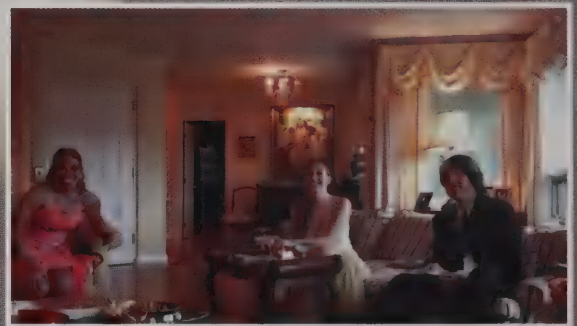

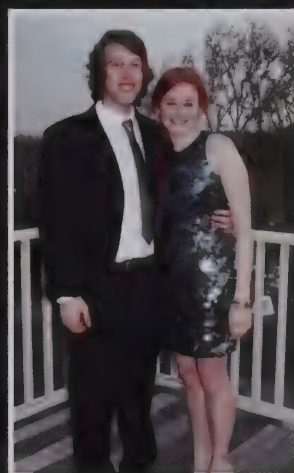

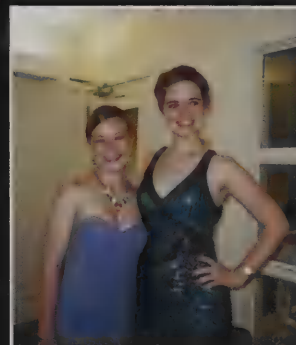

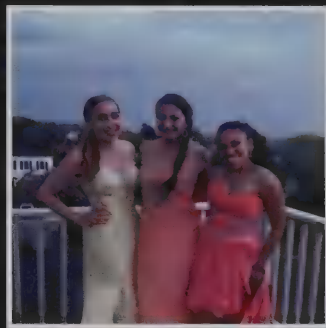

ROSECLIFF

Every year a formal ball for seniors is held at Rosecliff Mansion in Newport, Rhode Island. This year's Rosecliff ball was on May 15th. Students had a great time with friends, spending the night eating and dancing.

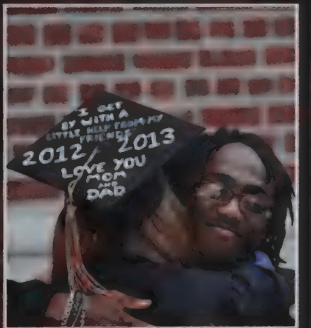

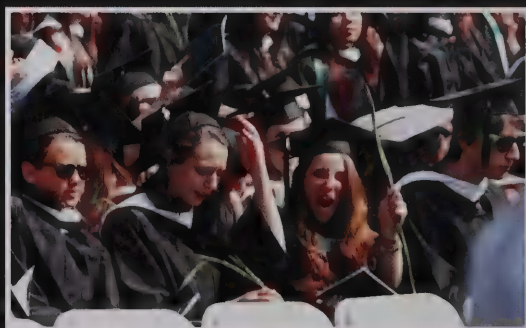

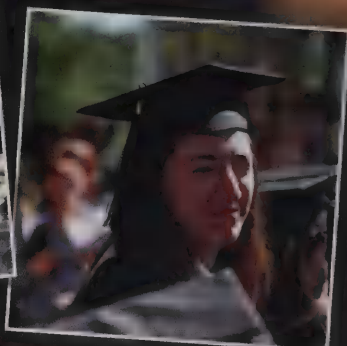

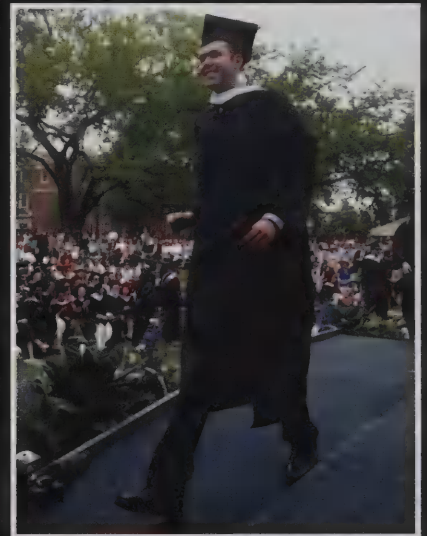

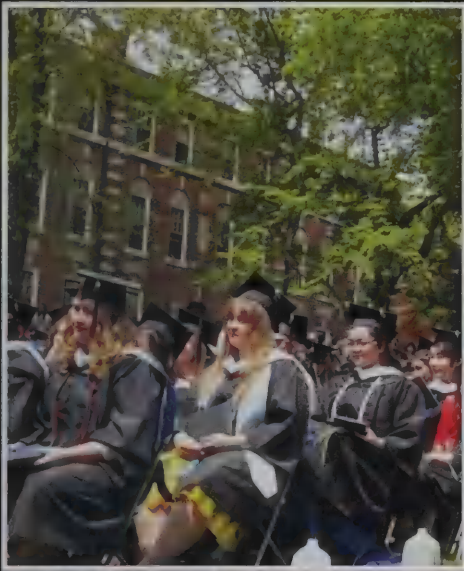

GRADUATION

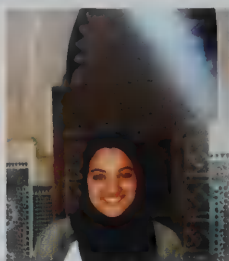

On May 18th, the 372 members of the class of 2013 received their diplomas during the 178th Commencement. Former federal judge and attorney Nancy Gertner was the keynote speaker.

"There's a thread you follow.

A thread older than you pare and connected to mine, dearest

A photograph of a basketball player, Michael Hall, in a white jersey with the number 50, jumping high to shoot the ball. He is wearing a white jersey with "WHEELAB" and the number "50" on it. In the foreground, a player in a black jersey with the number 10 is seen from the back. The background shows a basketball court with spectators in the stands.

Michael Hall '13

"Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness that most frightens us.' We ask ourselves, Who am I to be brilliant, gorgeous, talented, and fabulous? Actually, who are you not to be? You are a child of God. Your playing small does not serve the world.

There's nothing enlightened about shrinking so that other people won't feel insecure around you. We are all meant to shine, as children do. We were born to make manifest the glory of God that is within us. It's not just in some of us; it's in everyone and as we let our own light shine, we unconsciously give others permission to do the same. As we are liberated from our own fear, our presence automatically liberates others"

Marianne Williamson

Never Play Small/Keep Shining On.
We are so very proud of you Michael,
